

May 2020

USA

study, teach, observe, explore, discover

ELEMENTARY TEACHER CANDIDATES

Experience abroad is an exciting way to enhance your academic career, open your mind, develop your confidence, and build your credentials as a leader who is noticed by future employers.

This May 2020 a two-week-abroad adventure will take you into American schools, communities, and homes in order to develop your comfort and expertise as a globally-minded educator, prepared to teach in today's classrooms.

program coordinators:

Manfred Kupper, Bereichsleiter
